

# IVISION MOBILE

THE MOST POWERFUL  
MOBILE PLATFORM  
EVER BUILT!

## IVISION MOBILE IS NOT JUST ANOTHER MOBILE MARKETING PLATFORM

We have built our mobile communications platform from the ground up to make you brilliant at what you do. We specifically designed it for those of you who want best in class technology.

iVision Mobile is robust. Comprehensive and rich with features! And comes with advanced tools that make you feel powerful and in control. SMS and MMS messaging automation, digital coupons and loyalty rewards, reputation management, review generation, and appointment reminders...to name but a few.

iVision Mobile is so fast, intelligent, and powerful - you'll feel like you are in complete control of your mobile communication strategy! Since 2006, we have been pushing the boundaries of creating engaging mobile strategies for our clients.
